

Report (Mongolia - Turn 1)

The glory of god has smiled upon our armies yet again! A breakthrough has been reached at the Central America front. Romania could do nothing but cower in fear at the sight of our great army as it swiftly took Eastern United States back from the oppressors! Those despicable Romanians must be crying to their mothers. This was made possible because Our great strategists have decided to deploy more troops to Central America. This will surely bring us ever closer to victory!

And that's not all. Word has reached from the North Africa front. It took only 1 hour to make East Africa great again! We killed all enemy soldiers with ease. Those despicable Romanians must be crying to their mothers. And there is more good news still. Not all is well in the state of Mongolia however. Bad news from Congo. When attempting to liberate Congo today many of our heroic soldiers have had to give their lives for their country. They have not given their lives in vain. The enemy thinks they have won, but they are not prepared for the swift retribution that they will face. Our great government supports the families of lost ones completely.

However, not all is lost! A breakthrough has been reached at the East Africa front. Romania could do nothing but cower in fear at the sight of our great army as it swiftly took Madagascar back from the oppressors! This is what happens when you don't want to surrender! The breakthrough came because We are strategically moving our troops in East Africa to Madagascar. East Africa will be kept safe by the brave men staying behind, while Madagascar will become stronger and safer than ever.

Our victory is assured!

Report (Mongolia - Turn 2)

The spirit of Sun Tzu must be proud of our soldiers! A breakthrough has been reached at the Iceland front. The Romanians must have thought taking Greenland would be easy. They underestimated the great Mongolia spirit and cunning! They arrived with many and left with few. Those despicable Romanians must be crying to their mothers.

Not all is well in the state of Mongolia however. Tragedy has struck East Africa. Romania showed that they can only win in an unfair matchup! Sending their biggest army to our smaller defense in East Africa shows they are afraid of our true power! No matter, when they are faced with our true power they will see what real battle is like! Our great government supports the families of lost ones completely. We have heard some more reports from our spies. Romania has moved troops from Congo to East Africa leaving Congo completely defenseless for us to take. Is this Romania showing defeat?

Our victory is assured!

Report (Mongolia - Turn 3)

The spirit of Sun Tzu must be proud of our soldiers! Word has reached from the Ukraine front. Romania could do nothing but cower in fear at the sight of our great army as it swiftly took Northern Europe back from the oppressors! Is this Romania showing defeat? But that is not all! And for more good news. We have received news from the Ukraine front. The fighting at Scandinavia has come to an end. Our strong army has taken control yet again! The weakling Romanians have no chance against our brave soldiers. This was made possible because Our great strategists have decided to deploy more troops to Ukraine. This will surely bring us ever closer to victory! Our great strategists have decided to deploy more troops to Ukraine. This will surely bring us ever closer to victory! And that's not all. Word has reached from the Northern Europe front. It took only 1 hour to make Great Britain great again! We killed all enemy soldiers with ease. Those despicable Romanians must be crying to their mothers. This was made possible because We are strategically moving our troops in Northern Europe to Great Britain. Northern Europe will be kept safe by the brave men staying behind, while Great Britain will become stronger and safer than ever.

Our victory is assured!

Report (Mongolia - Turn 4)

God has been testing our brave soldiers. Bad news from Western United States. Romania showed no respect as they marched their biggest army to steal our land in Western United States. They could achieve victory through cheating and unfair fighting. We shall see who is victorious when they face our even bigger armies! Be assured that this is only a minor setback. We have discovered the enemies plans. Romania may be moving 2 troops to Eastern United States. Our brilliant strategists are laughing at the news! Romania has moved troops from Eastern United States to Western United States leaving Eastern United States completely defenseless for us to take. Is this Romania showing defeat?

Our victory is assured!
