

## Background

These reports concern the nations of Mongolia and Romania. Both nations are trying to take control of all countries in the world. Before the events in these reports, Mongolia has the following countries: Argentina, Japan, Southern Europe, Brazil, Middle East, Siam, India, Afghanistan, China, Ukraine, Western Europe, Peru, Quebec, Ontario, Greenland, North West Territory, Alberta, Alaska, Kamchatka, Yakutsk, Siberia, Mongolia, Irkutsk, Indonesia, Western United States, Western Australia, North Africa, New Guinea, Eastern Australia, Egypt, Venezuela, Ural and Central America, while Romania has the following countries: Congo, South Africa, East Africa, Iceland, Great Britain, Madagascar, Scandinavia, Eastern United States and Northern Europe.

## Report (Romania - 1)

Our leaders can be proud! We have received news from the Central America front. The Mongolians must have thought taking Eastern United States would be easy. They underestimated the great Romania spirit and cunning! They arrived with many and left with few. This is what happens when you don't want to surrender! We have discovered the enemies plans. Word has reached of 7 new Mongolia troops arriving in Central America. It is no matter, our victory is already assured!

Not all is well in the state of Romania however. Bad news from East Africa. Mongolia showed that they can only win in an unfair matchup! Sending their biggest army to our smaller defense in East Africa shows they are afraid of our true power! No matter, when they are faced with our true power they will see what real battle is like! Our great government supports the families of lost ones completely. And the enemy kept pushing. Yet, there is always light after the darkness. Word has reached from the North Africa front. The battle in Congo showed that we will be victorious in even the most difficult combat. Our brave soldiers endured the attack of those cheating Mongolians with strong will and sacrifice for the motherland. Is this Mongolia showing defeat? We have discovered the enemies plans. Mongolia may be moving 10 troops to North Africa. Our brilliant strategists are laughing at the news! Mongolia has moved troops from North Africa to East Africa leaving North Africa completely defenseless for us to take. Is this Mongolia showing defeat?

It is sadly always calmest before the storm. Bad news from Madagascar. Mongolia showed that they can only win in an unfair matchup! Sending their biggest army to our smaller defense in Madagascar shows they are afraid of our true power! No matter, when they are faced with our true power they will see what real battle is like! Our great government supports the families of lost ones completely. We have discovered the enemies plans. Mongolia decided to flee it's troops from East Africa to Madagascar. They must be so afraid they are handing us East Africa on a silver platter! Our troops will be able to thank them personally

when we take Madagascar as well!

Our victory is assured!

## **Report (Romania - 2)**

God has been testing our brave soldiers. Tragedy has struck Greenland. We underestimated the backhanded techniques Mongolia would use. It might take longer for us to liberate Greenland but it will happen! Be assured that this is only a minor setback.

However, not all is lost! Word has reached from the Congo front. It took only 1 hour to make East Africa great again! We killed all enemy soldiers with ease. Those despicable Mongolians must be crying to their mothers. The breakthrough came because We are strategically moving our troops in Congo to East Africa. Congo will be kept safe by the brave men staying behind, while East Africa will become stronger and safer than ever.

Our victory is assured!

## **Report (Romania - 3)**

God has been testing our brave soldiers. Tragedy has struck Northern Europe. Mongolia showed that they can only win in an unfair matchup! Sending their biggest army to our smaller defense in Northern Europe shows they are afraid of our true power! No matter, when they are faced with our true power they will see what real battle is like! Our great government supports the families of lost ones completely. The cowardly Mongolians pushed their luck even more. Regrettably, we were tested even more. Bad news from Scandinavia. More work has to be done to liberate Scandinavia and have their people join our great nation. While our strategists had hoped it could happen sooner, we will still be happy with later! Our great government supports the families of lost ones completely. We have heard some more reports from our spies. Word has reached of 6 new Mongolia troops arriving in Ukraine. It is no matter, our victory is already assured! Word has reached of 1 new Mongolia troops arriving in Ukraine. It is no matter, our victory is already assured! Mongolia has moved troops from Ukraine to Northern Europe leaving Ukraine completely defenseless for us to take. Is this Mongolia showing defeat? Mongolia decided to flee it's troops from Ukraine to Scandinavia. They must be so afraid they are handing us Ukraine on a silver platter! Our troops will be able to thank them personally when we take Scandinavia as well!

The international community was shocked to hear the cowardly Mongolia push their luck even more. Tragedy has struck Great Britain. Mongolia showed no respect as they marched their biggest army to steal our land in Great Britain. They could achieve victory through cheating and unfair fighting. We shall see

who is victorious when they face our even bigger armies! Be assured that this is only a minor setback. We have heard some more reports from our spies. Mongolia has moved troops from Northern Europe to Great Britain leaving Northern Europe completely defenseless for us to take. Is this Mongolia showing defeat?

Our victory is assured!

## **Report (Romania - 4)**

The spirit of Sun Tzu must be proud of our soldiers! We have received news from the Eastern United States front. It took only 1 hour to make Western United States great again! We killed all enemy soldiers with ease. The weakling Mongolians have no chance against our brave soldiers. The breakthrough came because Our great strategists have decided to deploy more troops to Eastern United States. This will surely bring us ever closer to victory! We are strategically moving our troops in Eastern United States to Western United States. Eastern United States will be kept safe by the brave men staying behind, while Western United States will become stronger and safer than ever.

Our victory is assured!
